EXPERIENCE

Instructor, **Kumon**, New York, NY

September 2022 – Present

Kumon is a math and reading tutor enrichment program for students, which aims to help them develop the skills and independence to advance in school.

- Delivered instruction individually and in small groups for children from ages 6 to 10.
- Led math and reading sessions for students.
- Documented student progress and achievements.
- Organized classrooms, materials, and supplies.

Science Teaching Fellow, **Breakthrough Miami**, Miami, FL

June 2022 – August 2022

Breakthrough Miami strives in bridging the gap for students from low socio-economic backgrounds by teaching subjects in the summer to prepare them for the school year.

- Established objectives for science lessons, modules and projects.
- Evaluated students to uncover learning deficiencies and devise improvement plans.
- Maintained student engagement through creative subject delivery and learning activities.

Instructor, **Kumon**, Miami, FL

September 2021 – May 2022

- Encouraged students to improve reading and writing skills through effective teaching of comprehension tactics.
- Worked closely with students in kindergarten through middle school, helping to develop math and reading skills.
- Compiled and documented information from students' progress.

Math Teaching Fellow, **Breakthrough Miami**, Miami, FL

June 2021 – August 2021

- Educated students on core principles and advanced concepts of mathematics.
- Helped 5th-grade students build learning and study skills to achieve their educational goals.
- Documented student assignments, attendance, and test scores in online reporting systems.
- Integrated technology into classroom settings to engage students and diversify instruction.
